T&J

W1111-HPS + W8311USB

1 Gang Plate + USB Power Charger

USB Power Charger

USB ports are finally breaking free of computers. This is a much more efficient method to charge USB devices than using a conventional AC adapter and you can save electricity as well. This USB product is available in a modular option and can be used with most T&J switch plate designs.
shutter switch with centre off

Product Remarks

The new centre-off shutter switch is the ideal solution to control multiple sets of window blinds in residential or commercial applications.

W1112A + W2221
2 Gang 10A 2 Way Shutter Switch with Centre off

W1112A + W2700C

2 Gang Plate + 1W LED Night Light

LED Night Light

Product Remarks

Completely new options for lighting design in any building. Equipped with innovative LED technology, the night light can be mounted in a normal flush wall box. Lamps can provide fascinating accents to a room's lighting, creating a harmonious atmosphere or showing the right way by acting as an orientation light. Can be used as night light, floor lamp, stair indicator or wall sconce.

W2910-PS
10A 1 Gang Weatherproof Bell Switch

IP54 bell switch

Product Remarks

The durable IP54 rated door bell can be used indoors or outdoors, it looks great whether it is installed vertically or horizontally.

EXIT
W1112A + W2-AL

2 Gang Plate + 3A alarm

3A alarm

Product Remarks

An alarm control that actually looks good and matches the other switch plates in your residential / commercial project; easily de-activated with our special key.

T&J

W1112A-HMG+W2744LIR-WH
360 degree 1000W 230V Motion Detector
with fire control outlet

motion detector

The ALL NEW 360 degree motion detector with easily accessible time delay adjustment from 30 seconds to 10 minutes. Installation can be on the wall or ceiling and will detect persons within a 3 meter distance. This is a convenient and energy efficient solution that will make hallways, entries and rooms safer.

W900C-WHMG
Multi-media Hub

multi-media hub

Product Remarks

Hotel guests or office workers are using their own in-room entertainment or computer presentations when "on the road". With the Deco design T&J Electric multi-media hub, you can stream music, videos, photos and web-based content to an in-room video monitor (TV) and sound system. Demand is steadily growing for in-room entertainment and in-office business presentation solutions.
